

Title Submission Form

2009 Call for Papers AAZV Annual Conference Tulsa, Oklahoma October 24-30, 2009

- Those wishing to submit a title to be considered for presentation at this joint annual meeting are asked to complete this form and e-mail, mail, or fax completed forms to the appropriate session chair. Session chairs are posted at <http://www.aazv.org>.
- Please complete a separate form for each title submitted for consideration; however, a maximum of 2 papers will be accepted for a single presenter.
- Presenters that are selected are expected to provide a paper or abstract for the proceedings and should adhere to all submission deadlines. (Abstracts published in the proceedings will not preclude publication in JZWM).
- All presenters are expected to register for the conference.
- The deadline for submission of titles to session chairs is **March 1, 2009**

1. Presentation Title:

2. Abstract or short description of the paper to be presented (75 words or less). The information provided will be used to help select papers and is not intended for publication in the proceedings:

3. Requested session in which to present this paper (see session list at <http://www.aazv.org>):

4. Is this submission entered in a manuscript competition?

5. Please list any additional titles you are submitting for consideration as well as the session to which the title has been submitted.

6. If selected, is there any reason you may not be able to present this paper at the conference?

7. If you are unable to attend, is someone available to present the paper in your absence?

8. If not selected for an oral presentation, would you present this work as a poster?

9. Audiovisual equipment provided will include an IBM laptop computer, powerpoint software, and 1 screen. MAC users will need to convert their presentations to a Powerpoint presentation that will run on an IBM computer PRIOR to the conference. A CD-ROM will be required from each presenter at the time of registration, or NO LATER THAN 5 PM ON OCTOBER 23, 2009 in order to have adequate time to load the presentations onto the conference computer.

10. Check all that apply: ___ AAZV member ___ student
